### Did You Know?

Praise is just as important as providing food and shelter for a child. Praise is an important aspect of raising a confident child. When you praise a child, not only do you raise their self-esteem and self-concept but you increase their overall self-worth. One thing you can do is focus on the child and describe what you see. For example, you can say: "You are so patient. That means a lot to your little brother." For more tips on praising children please email [jvienna@la-archdiocese.org](mailto:jvienna@la-archdiocese.org) or call (213) 637-7227.

## GOD'S PRESENCE

Realize above all that you are in God's presence . . .  
 . empty yourself completely and sit waiting,  
 content with the grace of God, like a chick who  
 tastes nothing and eats nothing but what its  
 mother gives it.  
 --St. Romuald
